

# Do you have enough crew?

Know your vessel's crewing requirements.

On 1 August 2023, the minimum crewing table has been simplified and requirements for rest on domestic commercial vessels has been strengthened.

1

**How many crew do you need?**

See minimum crewing table on AMSA website

2

**Have you factored in rest?**

**10 hrs/24 hrs** minimum hours rest, free from all duties and functions

3

**Check you at least meet the minimum crewing requirement.\***

\*As required
